current areas of focus

POLICING

Our Policing Subcommittee seeks to work with Marion's leadership to ensure all citizens are treated equitably by the city's police force. Police equity training, accountability, and elimination in incidents of racial bias are our goals.

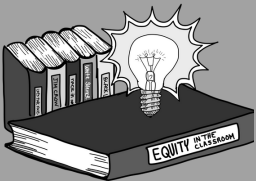

PUBLICITY & SOCIAL MEDIA

This new committee is starting with a focus of engaging the community on Facebook, managing MARE's website, publishing relevant content, and filtering questions to MARE's Board of Directors as needed.

EVENTS AND RALLIES

Our Events & Rallies Subcommittee focuses on hosting and joining events in the community to share information and support allies. Through these events we hope to bring awareness to racial inequities in our community.

EDUCATION

The Schools Subcommittee is focused on advocating for inclusive, equitable, safe, and anti-racist learning environments in our schools.
